

Upazila Governance and Development Project (UGDP)

Results of 3rd Performance Assessment : 2018-19

The Government of Bangladesh has been implementing the Upazila Governance and Development Project (UGDP) since December 2015, with a loan supported from Government of Japan through JICA. The project aims at strengthening Upazila Parishad (UZP) which was revitalized in 2009 and is expected to play a key role for rural development with good Local Governance. The objective of UGDP is to enhance the services to citizens by providing training programs and fund transfer for development activities to UZP, thereby contributing to reinforcing Local Government structure of Bangladesh. The project period is from December 2015 to June 2021.

Toward the objective, UGDP provides development funds as the Performance-Based Allocation (PBA) and capacity development support to all Upazilas. The size of PBA is BDT 5 million per Upazila per year. The target Upazilas are expanded yearly from 100, 200, 300, 400, up to all 492 Upazilas based on the results of the governance performance assessment. Upazilas are assessed every year ranked from the top to the last. In late 2018, the 3rd governance performance assessment was conducted and 300 (top 296 plus 4 special consideration) Upazilas were selected.

The outline of the performance assessment under UGDP is described in Figure 1.

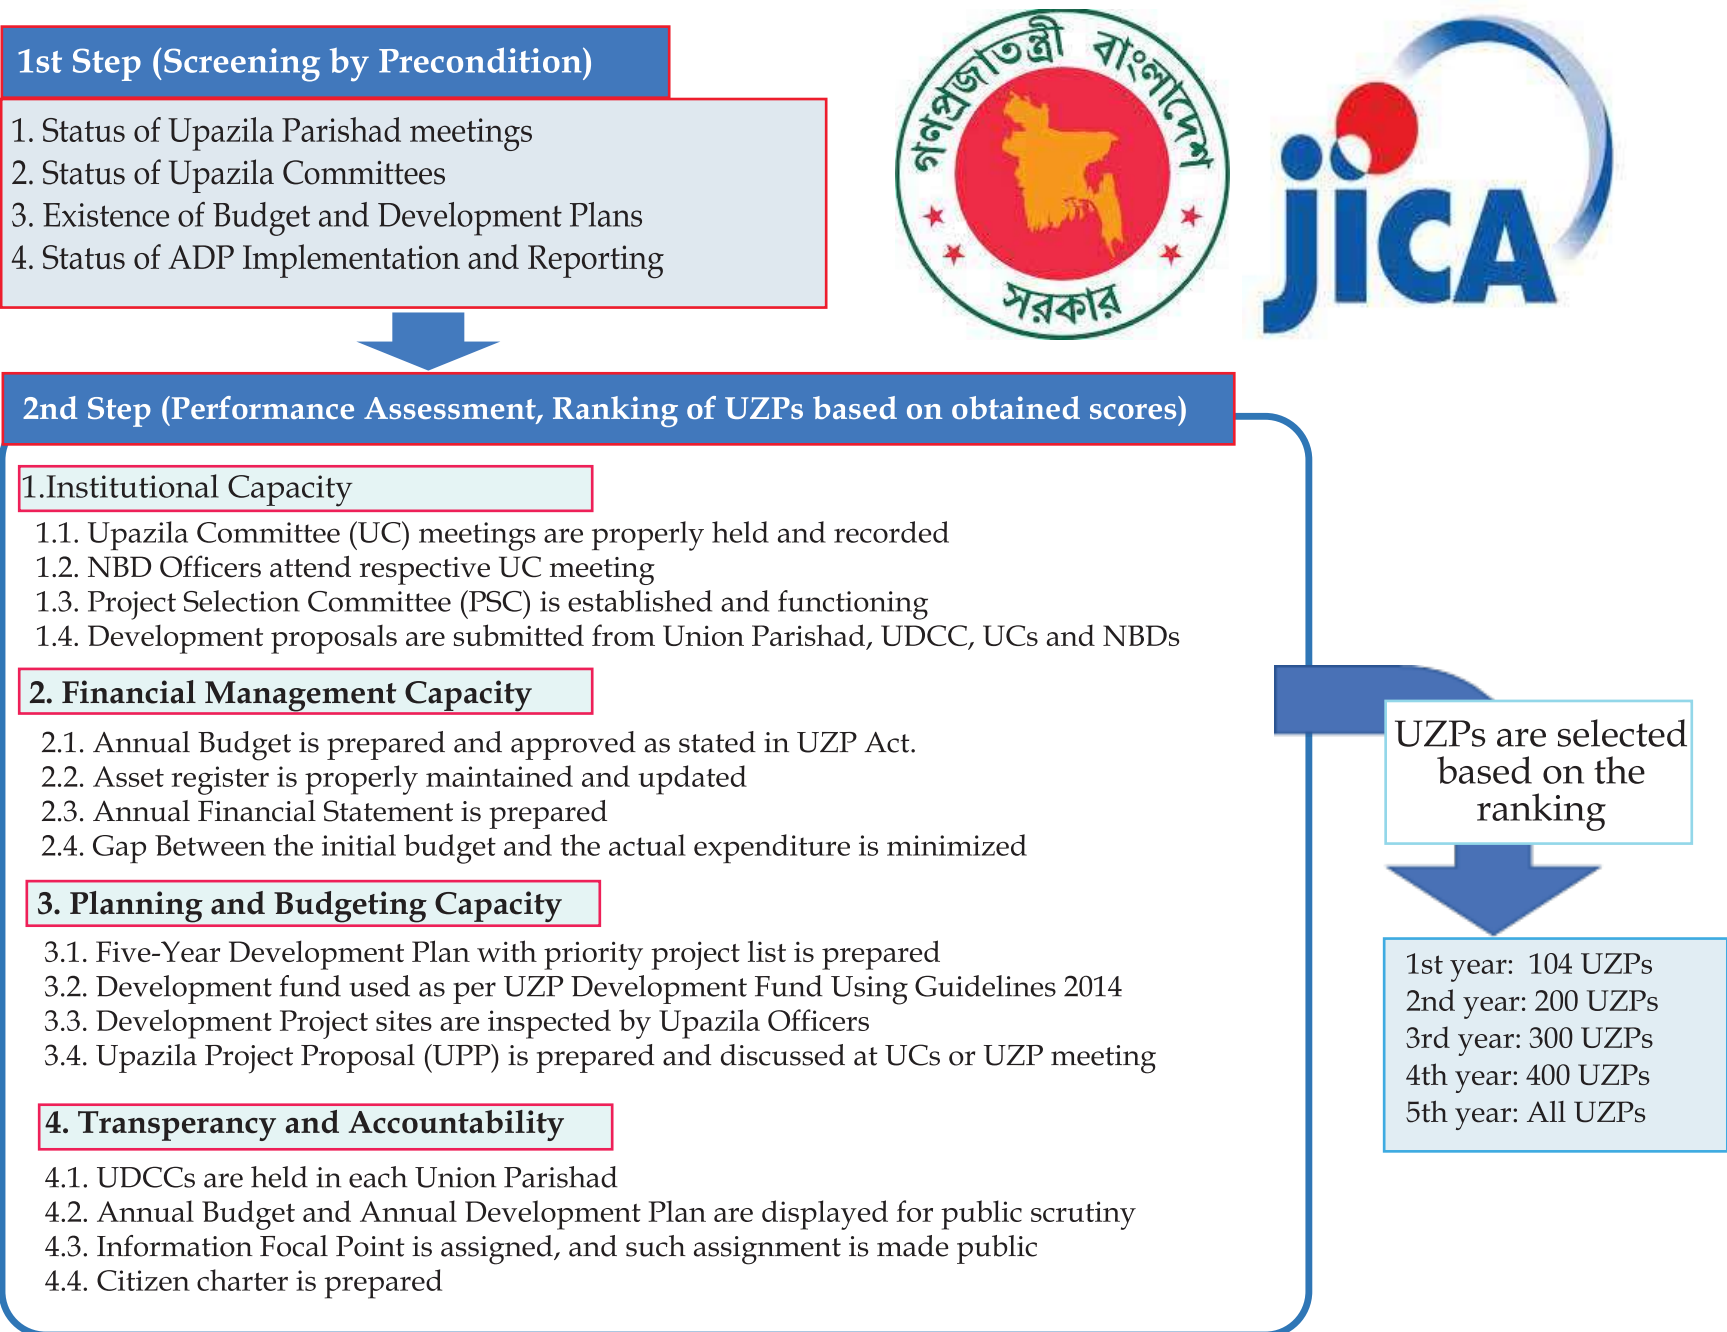

Figure 1: Performance Assessment System under UGDP

The 3rd Performance Assessment was implemented in late 2018 to 1st Quarter 2019

☼ Duration: 28 November 2018 to 11 April 2019

☼ Survey Firm: IRG Development Service Limited

☼ Method: Two surveyors visited Upazila and checked relevant documents for 2 (two) days.

Based on the survey result, total three hundred (300) Upazilas were selected, consisting 296 Upazilas which passed the preconditions, added with 4 Upazilas out of 8 pilot Upazilas considered as special from 2nd round and have not met the preconditions. The other four from 2nd round pilot Upazilas successfully met the preconditions and included in 296. It should be mentioned that total 297 Upazilas passed 1st step preconditions but one Upazilawas dropped/not selected in 3rd round due to obtaining lowest score.

The selected 300 Upazilas are entitled to implement sub-project up to BDT 5 million. Beside this, Ukhia and Teknaf in Cox's Bazar District will be allocated BDT 15 million to each Upazila as the support to host communities affected by Rohingya influx during fiscal year 2019-20.
